

Lost

By Maureen

Bam! "I hit you!" yelled Tina at her older brother Tim. Plop! I landed in a snow drift. I felt like royalty until a giant monster came charging at me. It scooped me up and started pushing me down the street. I began to drift off to sleep but I don't know how. When I woke up I saw something in the distance; it looked like a castle. "Finally," I said with joy, until I realized I was being pushed into a snow mound. "EEK EEK!" I screamed. Then I was stuck head facing out. "Ring Ring!" What was that? A moment later a whole bunch of kids started charging at me. One pulled me out and stuck me on a fort. About five minutes later more snowballs were being piled on top of me. I was about to get crushed when Tina came and picked me up and brought me home and put me in the freezer for hibernation.
