

The Haunted House

Creek..... I opened the door to walk in when I heard a slight little laugh, “Mewa-ha-ha-ha”. Then I heard a *thump* on the floor. The last sound I heard was a terrifying howl. The sounds got closer and closer until I was surrounded by a mummy, a werewolf, and a vampire. I went to go hide behind an old couch but soon I found out it was my mom, my dad, and my sister. I still could hear a strange howl..... It was Rover, my dog!!! Silly old dog.
